WP(C).NO. 31676 of 2007

Dated this the 25th day of October, 2007

JUDGMENT

The petitioner is working as a U.D.Clerk in the Civil Supplies Department. He is sought to be deputed to the Civil Supplies Corporation under Ext.P4 order passed by the Commissioner of Civil Supplies on 22.8.2007. Petitioner contends that he had been deputed earlier to the Civil Supplies Department and the same had ended only on 3.5.2006. According to him, as per the norms regulating deployment of persons from the Civil Supplies Corporation to the Civil Supplies Department, there must be a gap of at least two years between two deputations undergone by a person. Norms are framed by the Government regulating the deputation of a person from the Civil Supplies Department to the Civil Supplies Corporation. It seems that the petitioner on deputation will be posted only in the Kollam District which is a place where he is presently working. I am not able to make out any serious grievance suffered by the petitioner on account of the deputation. Be that it may, if there is violation of norms, the petitioner is at liberty to bring this to the notice of the Government.

2. The writ petition is disposed of in the following terms;

The petitioner may file a representation pointing out his grievance as regards Ext.P4 before the Government within a period of two months from today. If such representation is received, first respondent shall look into the same, hear the petitioner and take a decision, in accordance with the norms, within a period of six weeks thereafter.
